**BUT
REMEMBER...**

Sandspears.com.au

When purchasing or Install your Sand Spear...

- ✓ Do you have sand
- ✓ Decide on drilling method
- ✓ Screen size to match Gravel
- ✓ Check on Council regulations
- ✓ Choice the best position
- ✓ Decide on amount of water needed

Sandspears.com.au

And try to avoid...

- ✗ Mud
- ✗ Soil
- ✗ Driving of PVC Screens
- ✗ Deeper than 3M
- ✗ Air leaks
- ✗ Screen set above the Aquifer

How Can
We
Help you

In the Following way

- ✓ Put Clean water in your hands
- ✓ Deliver the Sand Spear you need
- ✓ Manufacture to your requirements
- ✓ Deliver anywhere in the World
- ✓ A price that will surprise you
- ✓ Guaranteed

Here's What Others have Said

Yours are much stronger than the imported ones we are using at the moment. When we push down these imported ones, they flex yours don't, I'd much prefer to use yours.
